PROFILE SUMMARY

My name is Kaveesh Ranaweera, a 19-year-old Software Engineering student at the National Institute of Business Management (NIBM), nearing the completion of my first year. I hold a Pearson Assured Diploma in Information Technology (DITEC) from ESOFT Metro Campus. I am skilled in computers, fluent in English, and passionate about technology.

EXPERIENCE

National Institute of Business Management (NIBM)
Software Engineering Student

- Gained foundational knowledge in software development, algorithms, and database management.
- Completed multiple projects involving coding, debugging, and system design.
- Developed strong problem-solving abilities through hands-on labs and coursework in programming languages such as Python and Java.
- Collaborated with peers on team-based projects, enhancing communication and teamwork skills.

ESOFT Metro Campus — 2022
Information Technology Intern (Academic Project)

- Worked on various IT projects as part of the Pearson Assured Diploma (DITEC) program.
- Assisted in hardware and software installations and system troubleshooting.
- Gained experience in maintaining and optimizing computer systems for performance.
- Applied IT knowledge to real-world scenarios, further improving technical skills and problem-solving capabilities.
